

Welcome to the 2016 Scarborough Holiday Guide!

The Scarborough Economic Development Corporation (SEDCO), the Scarborough Community Chamber of Commerce (SCCC) and Scarborough Buy Local have teamed up to bring you the Scarborough Holiday Guide featuring local events and products.

We've tried to be comprehensive in searching out Scarborough events, but if we've missed one, let us know and we will add it to the PDF. Check back throughout the holiday season, and we will let you know if the guide has been updated.

We've also sought out a few holiday gifts with a Scarborough theme. If you find other ideas as you are out shopping, please let us know! For the record, these are items we've seen about town; no merchant has paid for advertising in the guide.

Enjoy the many events that celebrate the holidays in Scarborough and the region. Please have a safe and happy holiday season!

*If you have additions, email hello@sedcomaine.com with "Holiday Guide" in the subject line.

Please note that we have done our best to represent the correct prices and descriptions. The material in this guide is not an ad, and if we have the wrong pricing, it is not the fault of the retailer.

The same is true for all events. This guide is a highlight of activities. Please double check all information with the organization hosting the event. Where possible, we've added links to make this process easier.

Give a little help to some friends...

If your holiday check list includes lending a helping hand, then consider some of these ideas courtesy of Project G.R.A.C.E.

Holiday Giving

For holiday gift giving Project G.R.A.C.E. will match you with a local family with children to brighten their holidays. Wish lists generally include warm clothing, toys or games, and gift certificates. Unwrapped gifts will be needed by Monday, December 12th.

Stock the Pantry

Nutritious non-perishable foods to share among families who come up short every week are needed. Project G.R.A.C.E. especially needs grocery gift cards so that families can do their own shopping, fulfill special dietary needs, fill prescriptions, or get diapers, hygiene and personal care items, soaps and household paper products.

Giving Trees

When you host a giving tree to collect specific items, you can have fun, give your office or business a festive touch, and collect much needed items like: hats & mittens, toys & games, soaps & personal hygiene items, or gift cards for gas, clothes, or food.

Fuel Assistance

Families struggle to pay basic bills - and some are faced with the impossible choice of keeping their home warm or putting food on the table. To help families at the holidays and throughout the Winter, give to the Project GRACE Fuel Fund.

Operation Hope

The Scarborough Police Department's Operation HOPE encourages Maine residents who suffer from heroin and opiate addiction to seek help and experience recovery
